Mentor Program Registration: CranioSacral Therapy	1	MPCST	Becoming a skilled and magnificent practitioner of CranioSacral Therapy is about more than the techniques of CranioSacral Therapy. It is also about the art of doing the work. The mentorship program is designed to give you the support and the flexibility you need to help you improve your art and your practice of CranioSacral Therapy. No matter what your level of skill, training, or experience, the mentorship program can be modified to meet your needs.	25.00		25.00
